

Spring Break Camp

April 3-7

Make friends, be adventurous, have fun!

April 3 Obstacle Course

Do you like adventure? Come design and build an obstacle course at Woldumar Nature Center. How fast can you get through it?

April 4 Dramatic Campers

Do you love movies? What about TV shows? Well this might be the camp for you. We will be creating our very own Woldumar Nature Center play. The show will be camper driven and will focus on communication, leadership, and creative skills.

April 5 Wild in the Woods

If running around the woods is one of your favorite things to do, then please join us for a day of high energy adventure. We will play games like kick the can, capture the flag, and wolf pack.

April 6 Scavenger Hunt

Come test your detective skills! Many things are hidden around Woldumar Nature Center. Could you be the one to unlock all of the mysteries? Let's find out!

April 7 Cabin Fever

The Moon Cabin is a wonderful place to relive history. We will make biscuits on the wood burning stove, tell stories about the past, and learn about life as a Michigan pioneer.
