

Winter Break Camp

January 2nd - 3rd

Full Day: 9 am to 4 pm with extended care option*

Get up and get outside!

Come and join Woldumar for a fun filled Winter Break Camp.

Campers will experiment outside everyday so that there are no "cabin fever" complaints.

January 2nd: Survival & History

Bundle up and spend the day outside learning how to survive without technology. Campers will practice building shelters, tracking animals, and learn how to start a campfire for warmth. Then we're firing up the wood burning stove

and stepping back in time to learn about Michigan's early settlers. With games and activities from the 1800s, we'll explore how the Moon family kept busy during the cold winter months.

January 3rd: Winter Science

Step out into the world as we experience the science behind snowshoeing, skiing, sledding, igloos, and ice! Even if there is no snow on the ground our frozen experiments will give campers a reason to warm up with some hot chocolate! Get ready for a day of Winter Fun!

PAYMENT INFORMATION

Sign-up for one day of frosty fun or register for both days and receive a discount!

Day by Day

Members: \$35/child/day

Non Members: \$45/child/day

Whole Week

Members: \$65/child/week
